Said draft"

Read:—

Letter No 27 dated 3? September 1888 from the Assam Superintendent, submitting a memo on the validity of Rajengutta tenure & Subramanya-pura in Nagore Taluk.

Order thereon, No

Dated Nagore, September 1888.

The records connected with the village of Subra-manyapura do not show that Rajagurtha Subba Rau was a Rajan-gutteedar; there is no Sanad and there is no recognition of a Rajengutta tenure by competent authority.

Let entry in name of the account described

it as a Kayamgutta and
it is not clear on what
authority the entry was
made.

It is however to be
noted that the late Bhaga-
-vatta Subba Rau constructed
at his own cost a channel
for the irrigation of his
land, besides building
a Devasthanam, Agrahara,
and steps by the side of
the Cauvery and upon
this ground the case appears
to be deserving of liberal
treatment. The Govern-
ment accordingly agree
to the village being treated
as deficit Kayamgutta
village with Agrahara title,
having been an exception
on a fixed rent since 1825,
and conferred as such Kayam
gutta

- gutta with the addition
thereof to not value
and any water rate legally
chargeable on the principle
of the decision recorded in
this Commissioners Proc.
No 2715 of 6th September 1949.
